GRAIN SORGHUM TECHNICAL FACT SHEET

A66

Medium-Quick Maturity Grain Sorghum

A high yielding mid-maturing all rounder which is highly adaptable.

A66 is the 'go to' hybrid for all grain sorghum farmers who want yield security. With a safe package of traits, A66 is an honest hybrid that offers ease of harvest.

Key Features

- Good sized and coloured grain delivers a premium product desired by end-user markets – with fewer screenings and higher test weights
- Large well exerted primary head provides yield security in tough grain fill conditions, and ease of harvest
- Even tillering provides even maturity at harvest
- Very good standability means more grain presented to the header to harvest
- Good harvest drydown gets headers in the paddock sooner
